## **PORTSMOUTH ROMAN CATHOLIC DIOCESE PRIESTS' RETIREMENT FUND**

### **TRUSTEES' ANNUAL REPORT (Continued)**

### **FOR THE YEAR ENDED 31 DECEMBER 2013**

---

The Trustees present their Report together with the financial statements of Portsmouth Roman Catholic Diocese Priests' Retirement Fund for the year ended 31 December 2013, which are prepared in accordance with the Statement of Recommended Practice (SORP) 2005.

#### **GOVERNING INSTRUMENT**

Portsmouth Roman Catholic Diocese Priests' Retirement Fund is a registered charity. It is registered with the Charity Commission under number 1061194. The Fund is governed by its trust deed dated 12 December 1996.

#### **OBJECTS**

The Fund's Trust Deed states its principal objects to be ".....the relief of retired Diocesan Priests or those Priests who are no longer able to carry out their pastoral duties of the Roman Catholic Church for whom the Roman Catholic Diocese of Portsmouth has a responsibility under Canon Law for the provision of housing maintenance and general charitable support."

In fulfilment of the objectives of the Trust, it is the policy of the Fund to undertake the following:

- Provision for accommodation of retired priests is made, taking into account their views, needs and capabilities. They may be accommodated at subsidised rents in properties owned by the Fund. For Priests requiring residential or nursing home care, finance is provided by the Fund. Grants may also be paid to some retired Priests to supplement their income. All payments are at the discretion of the Trustees and are reviewed regularly.
- The Trustees seek appropriate professional advice when buying or selling properties. All properties, other than three investment properties, are held for the direct charitable purposes.

#### **ORGANISATION**

The trust deed states that the administrative provisions set out and referred to in the certificate of incorporation of Portsmouth Roman Catholic Diocesan Trustees Registered shall apply.

In accordance with the Trust Deed the Trustees have established a Management Board, consisting of a chairman and seven other members, to consider the needs of beneficiaries and the application of resources. The members of the Management Board are appointed by the Trustees.

---

#### **ACTIVITIES**

The Management Board advises the Trustees on the optimum long term strategy for the Fund. It is intended that a considerable degree of flexibility will be needed to provide for the varied needs of individual Priests. Two clear principles have been established:-

- Sympathetically to respond to personal needs.
- To conserve the resources of the Fund for the demands for future years.

It is the aim of the board to provide the retired Priest with the accommodation that he chooses, within certain guidelines, in an area of his choice. However, normally, only properties situated within the Diocese are purchased. If a retired Priest wishes to live elsewhere, he may choose to rent his accommodation, and this may also be an alternative within the Diocese. If the rental payable is in excess of what would be charged for a house provided by the Fund, the retired Priest could be entitled to a grant from the Fund for the excess.

#### **ACHIEVEMENTS**

During 2013, two properties were purchased by the Fund and one was sold. Letting of the Fund-owned and rented properties is on the basis that the only maintenance for which the retired Priest is responsible, is interior decorations. However, if, when the property is purchased, it is in need of interior redecoration, the Fund meets the cost of carrying out this work.

Also, the Fund has leased from the Diocesan Trust two properties which were previously occupied as presbyteries, paying the open market rental, duly discounted to allow for the absence of agents' fees, bad debts and voids.

During the year an average rental of £350 (2012:£349) per month was charged to the retired Priest. The rental is significantly lower than would have to be paid on the open market, but should be sufficient to meet, on a year by year basis, the cost to the Fund of repairs and decorations and the insurance of the building. The rent is being increased each year by the percentage increase in the Retail Price Index. The retired Priest is responsible for furnishing the house and for the running expenses. He may however apply to the Fund for a grant, if for some reason he cannot afford this expenditure.

In addition, there were two (2012: four) Priests in Homes for the Elderly and the Fund made contributions totalling £48,250 (2012:£4,042) (net of contributions received from the Priests concerned) towards their residential fees. Furthermore, grants have been made for specific purposes to Priests residing in the UK, France and Ireland. It is the policy of the fund to make grants to retired priests to top up their income to a minimum level of £15,285 (2012:£14,825) per annum. Applications for support approved during the year amounted to £72,075 (2012:£66,929). The Priests' Retirement Fund pays the cost of a private health care scheme attributable to priests who have retired. The amount charged in these accounts is £18,713 (2012:£21,700).

#### **FINANCIAL REVIEW**

The Statement of Financial Activities on page 7 shows a surplus of net incoming resources of £274,856 (2012:£10,212). Included within that surplus is a gain of £99,278 (2012: £17,849) on the revaluation / disposal of the freehold properties held by the Fund at the end of the previous year, leaving a surplus in cash resources in the year of £175,578 (2012: deficit £7,637). In addition, during the year, there has been a gain of £262,091 (2012:£132,795) in the value of the investment assets of the Fund and a loss of £10,000 (2012:£Nil) in the value of the investment properties.

#### **FOR THE YEAR ENDED 31 DECEMBER 2013**

---

#### **FINANCIAL REVIEW (CONTINUED)**

At 31 December 2013, the Fund had total Reserves of £5,586,712 (2012:£5,059,765) of which £2,063,880 (2012:£1,789,473) is represented by tangible fixed property assets which are necessary for the proper functioning of the Fund, and £3,404,171 (2012:£3,202,080) by Investments, including three Investment Properties valued at £595,000 (2012: £605,000). The balance of £118,661 (2012:£68,212) is held to finance the year's expenditure and to contribute towards the purchase of additional properties for occupation by retired Priests.

#### **RESERVES POLICY AND ASSET COVER FOR FUNDS**

Since the end of the year a further property has been sold for £176,250 (before costs) and, therefore, the Trustees consider that the amounts available as free funds to be an appropriate level of funding for anticipated activities. The Trustees periodically review the demands for retirement properties and grants based on previous experience. The Trustees believe that the Fund should be able to finance increasing costs in the medium term but recognise the potential risks arising from the increased cost of providing care for retired priests in residential homes.

#### **INVESTMENT POWERS AND PERFORMANCE**

The Fund's investments are held in Common Investment Funds. The investment policy is determined by a Committee which meets on a quarterly basis to monitor investments and to discuss their performance with the Investment Managers. The investment managers are also instructed that their choice of investments must take into account the ethical position of the Catholic Church, and this is monitored. The current benchmarks are set with the overall long term objective of protecting the value of those investments. The performance of the investments in 2013 was a return of 13.77% against a benchmark of 14.00%.

#### **RISK ASSESSMENT**

The Trustees' approach to risk assessment has involved delegation to the Management Board of the responsibility to manage strategically its various activities. Salient matters and issues are then reviewed and actioned by the Trustees and its relevant committees.

#### **CONNECTED CHARITY**

Portsmouth Diocesan Trust (Registered Charity Number 246871) is a connected charity of the Portsmouth Roman Catholic Diocese Priests' Retirement Fund. The transactions between those connected charities are shown in note 5 to the financial statements.

#### **FUTURE PLANS**

The Trustees plan for the future is that, whenever a priest of the Diocese agrees with the Bishop that he will retire from active ministry, there will be sufficient resources available to support that priest with suitable accommodation together with the means to deal with health issues and day to day support. It is not the Trustees' intention at this time to seek additional funds for this purpose, unless the periodical review highlights a problem.

#### **PUBLIC BENEFIT**

The Trustees confirm that they comply, and require the Management Board to comply, with the duty in Section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Charity Commission in determining the activities undertaken by the charity. All trustees have received training on the public benefit requirement as set out in the Charity Commission's guidance on public benefit.

The Trustees believe that the provision of grants and subsidised accommodation for retired priests reduces the potential for those priests to need assistance from the State in terms of benefits and thus the Charity meets its public benefit requirement.

## **PORTSMOUTH ROMAN CATHOLIC DIOCESE PRIESTS' RETIREMENT FUND**

### **ACCOUNTING POLICIES**

#### **FOR THE YEAR ENDED 31 DECEMBER 2013**

---

The financial statements have been prepared in accordance with the Charities (Accounts and Reports) Regulations, the Statement of Recommended Practice "Accounting by Charities" SORP 2005 (issued in March 2005) and applicable accounting standards issued by UK accountancy bodies. The particular accounting policies adopted are described below. They are prepared on the historical cost basis of accounting as modified to include the revaluation of fixed assets including investments and freehold properties which are carried at market value.

#### **Legacies and Donations**

Legacies and donations are recognised when receivable or when the Fund becomes legally entitled to them and they can reasonably be measured in financial terms. Receipts of property, investments or other gifts in kind are included at market value.

#### **Income**

Income from Gift Aid and covenants is shown gross of tax reclaimed.

#### **Expenditure**

Charitable expenditure consists of all expenditure directly relating to the objects of the Fund. Certain central costs, which cannot be directly allocated, are apportioned between direct charitable expenditure and governance costs on the basis of the Trustees' estimate of the time spent on the relevant functions.

Governance costs comprise the costs of running the Fund, including strategic planning for its future development, also external audit, any legal advice, and all the costs of complying with constitutional and statutory requirements, such as the costs of Trustees' meetings and of preparing statutory accounts and satisfying public accountability.

#### **Fixed Assets**

Depreciation is provided at the following rates per annum in order to write off the cost of each asset, less any estimated residual value, over its useful economic life.

Freehold Buildings	2% on cost or valuation
--------------------	-------------------------

No depreciation is provided on freehold land.

Freehold property is now held at open market value. A revaluation is performed each year and the movement from the prior year value is accounted for within the statement of financial activities.

#### **Investment Properties**

Investment properties are held at open market value. A revaluation is performed each year and the movement from the prior year value is accounted for within the statement of financial activities as part of gains/(losses) on investment assets.

#### **Gains and Losses**

Gains/losses on investments are calculated as the difference between opening market value and closing market value after adjusting for additions and disposals during the period. No distinction is made between realised and unrealised gains in the financial statements.

#### **Fund Accounting**

Unrestricted funds comprise accumulated surpluses and deficits on general funds. They are available for use at the discretion of the Trustees in furtherance of the general charitable objectives.

#### **Cash Flow Statement**

The Fund qualifies for exemption from "Financial Reporting Standard No 1 - Cash Flow Statements" as a small reporting entity and a cash flow statement has therefore not been prepared.

#### **Grants**

Grants are charged to the statement of financial activities in the year in which the grant is awarded.
