MA Theology

Applications now open to study on our long-standing programme in September 2015.
Full- and part-time study options available.

Pathways available in: Systematic Theology, Christian Spirituality, and Chaplaincy and Ministry.

"Theology has importance for the Church in every age so that it can respond to the plan of God... In times of great spiritual and cultural change, theology is all the more important."
– Joseph Ratzinger

"Theology is simply that part of religion that requires brains." – G. K. Chesterton
