Dear Mr Tisdall

Portsmouth Roman Catholic Diocesan Trustees Registered (246871/246872)

I am writing in response to your letter to Mrs Wilkes dated 12 July 2001.

Direction under s96 (6) of the Charities Act 1993

Subject to any further direction, the Commissioners direct that all the charities of which the Trustee is the Portsmouth Roman Catholic Diocesan Trustees Registered except the Portsmouth Roman Catholic Priest's Retirement Fund (Registered Charity No 1061194) and except the charities holding real property in the Channel Islands shall be treated as a single charity for the purposes of Part II (registration) and Part VI (accounting) of the Charities Act 1993.

Maintenance of the Register

I have now passed the files including the box files containing the special trusts to Mrs Jane Grenfell, Head of Registration. She will be taking forward the matter of finding the most effective way of storing the details of the trusts on the Public Register and of making any other amendments to the Register itself.

I note that the main charity and the main charity number will be that known as Registered Charity Number 246871.

Pooling Scheme

Mrs Wilkes will be taking forward the making of the pooling scheme which will include the clause making a further Uniting Direction to include the pooling scheme charity in with the others.

23 JUL 2001

I am glad that we have at last reached a satisfactory conclusion of the longest running case in
Charity Support Taunton!

Yours sincerely

Judith A. Cox
