

Diocese of Portsmouth: Prayer and Stewardship in the Home

A resource of 13 prayer cards for use in the home

God speaks to us through our everyday experiences – but sometimes we look for God in what we perceive to be ‘holy’.

These cards are an aid to prayer – they are designed to help us identify and respond to God in the everyday, in the experiences we have in our homes, communities and workplaces. The cards can be used by couples, groups of friends, families etc. or can be adapted for individual use. Each card offers a seasonal reflection, a scripture passage to read, something to reflect on and a possible action / something ‘to do’.

This is not a rigid structure, but rather a range of material. Allow the Holy Spirit to work through you, staying with whatever strikes you and leads you to God.

This pack has been produced by
The Department for Pastoral Formation, Diocese of Portsmouth.

Further packs (£4.00 each) are available from
